Cooked Shrimp : Frozen Cooked Head-on Shell-on Shrimp

For true shrimp lovers, live shrimp is the best. But it is not always convenient and not always possible to find live shrimp. The solution is CP Whole Cooked Shrimp (Head-On Shell-On) in which the shrimps are cooked immediately after harvesting from our own CP farms and frozen immediately after cooking, locking in all the taste and freshness. Simply warm the shrimps in boiling water, peel, and dip in light soy sauce, or eat it the French way - served cold and dip in mayonaise. And don't forget that glass of champagne!

Raw Fish : Basa Fish Fillet
