

## Memo

No. 162/2021

Safety, Health, Environment and Energy Office

CPF (Thailand) Public Company Limited

8 July, 2021

To: Business Management

From: Mr. Prasit Boondoungprasert

Subject: Target for SHE&En KPIs year 2021

Chairman of SHE&En Management Committee

Refer to: SHE&En Management Committee meeting no. 1/2021 on 5 May, 2021

Attachment : Target for SHE&En KPIs year 2021 for each business line

Refer to assignment from Safety, Health, Environment and Energy Management Committee (SHE&En MC) on 5 May, 2021, targets of Safety, Health, Environment and Energy Key Performance Indicators (SHE&En KPIs) for year 2021 are reviewed and established for each individual business line as Attachment. Those targets are consolidated as total 8 SHE&En KPIs for CPF (Thailand) Public Company Limited (CPF) as follows:

SHE&En KPIs	Unit	Target 2021
Total energy consumption	MJ per ton production	1,289
GHG emission intensity	kg CO <sub>2</sub> eq per ton production	100.67
Total water withdrawal	cu.m. per ton production	18.08
Total waste disposal	kg. per ton production	2.46
IFR for employee and workers	case per 200,000 working hours	0.24
ISR for employee and workers	Lost day per 200,000 working hours	1.89
IFR for subcontractor	case per 200,000 working hours	0.00
ISR for subcontractor	Lost day per 200,000 working hours	0.00

Your sincerely,
